Name _____ Phone _____

Address _____

E-mail _____

Date of Birth _____

Please describe your interest in becoming a wildlife rehabilitation intern. What experience do you hope to gain from this work? _____

Please describe your education; including training related to wildlife or rehabilitation activities (you may attach your resume instead): _____

Please describe any experience you have had handling raptors. Include types of birds you have handled and your comfort level with raptor handling: _____

SNOWDON WILDLIFE SANCTUARY

Please describe your experience working with wildlife and other animals, and list any applicable licenses you may have: _____

Snowdon Wildlife Sanctuary is “off the grid”. There is no conventional electricity. A generator is on site for limited use for the clinic and animal care. Batteries are provided in the cabin to charge cell phones and other small electronics. Propane is used for appliances and cabin lighting. Have you had any experience living in similar conditions? Describe. _____

Summer internships run from Mid-May through August (3 months).

When are you available to work? From _____ Until _____

Are you able to work independently without supervision? _____

Do you have a current driver’s license and car insurance? _____

Do you have dependable transport? _____
(A 4wd vehicle is recommended during spring and winter.)

When was your last tetanus injection? _____

Please attach a list of 3 references with full contact information. A current resume is helpful but not required, as are letters of recommendation.

Thank you for your interest. We’ll be in touch.
